RULES

General Rules:

The UCI Cyclo-cross C1 events and races are run under the control of UCI rules, where applicable. Races of categories entered in the UCI calendar must fully respect the UCI rules. Races of categories entered in the national calendar must fully respect the rules of the relevant national cycling federation.

Start line protocol:

1. According to the start line protocol in international UCI C1 category races, based on the current UCI overall individual classification (season 2026/27).
2. Hungarian National CUP standings (points classification).
3. Other riders by application order.

Allocation of boxes in pit area:

Pit boxes will be arranged by UCI rules 5.1.036

PIT rules:

Only persons wearing the appropriate wristband, which can be obtained at registration upon presentation of a valid mechanic/soigneur/doctor or team manager licence, are permitted to enter and remain in the Technical Zone (PIT) during their rider's race. A maximum of three support staff per rider are allowed in the PIT.

Only the pressure washers provided on site may be used in the Technical Zone (PIT). The PIT washers may only be used during races and, during opening hours, exclusively for washing the bicycles of riders currently competing.

PIT opening: when call-up for the race begins
PIT closing: when the last rider of the race crosses the finish line

Clothing:

All riders of each category start in their club or national jerseys, except for National Champions, European Champions and World champions, who must start in the relevant champions' jersey.

Specific Rules:

1. Wearing a rigid safety helmet shall be mandatory during competitions and training sessions.
2. The 80% rule will be applied.
3. Bicycles used for Cyclo-Cross races must comply with UCI regulations.
4. For the Cyclo-Cross bicycle the width of the tires (measured between the widest parts) shall not exceed 33 mm and it may not incorporate any form of spike or stud (1.3.018).
5. Using of disc brakes are allowed in cyclo-cross training and competition (1.3.025).
6. For races on the road and cyclo-cross, the use of fixed sprocket is forbidden: a braking system that acts on both wheels is required.
7. Personal high-pressure cleaners are forbidden in the pit area
8. The riders undertake to respect nature and the environment throughout the course and not to pollute the site. The littering zone will be the pit area along its entire length. Waste must be deposited on the side of the course. It is strictly forbidden to throw waste directly onto the course or outside the designated area. (article 5.1.063, introduced on 01.07.25)

Anti-doping control:

Will be carried out according to the Anti-Doping Control Rules of the UCI and the Anti-Doping Committee of Hungary in the Fonix Hall.

Penalties:

The UCI penalty scale is applicable for all races entered in the UCI calendar.
