THE STAGES

The Eneco Tour 2026 is held over six days, from Tuesday 13 to Sunday 18 October, comprising a prologue and five stages. The race is registered on the UCI Europe Tour calendar. Distances are shown for both the men's and women's races.

Stage	*Date*	*Start – Finish*	*Men*	*Women*	*Type*
Prologue	Tue 13 Oct	The Hague	3.1 km	3.1 km	ITT
Stage 1	Wed 14 Oct	Ede – Ede	120.0 km	79.5 km	Road / sprint
Stage 2	Thu 15 Oct	Tilburg (Stappegoor–Goirle–Hilvarenbeek)	13.6 km	13.6 km	ITT
Stage 3	Fri 16 Oct	Sittard – Watersley	110.5 km	87.8 km	Road / hilly
Stage 4	Sat 17 Oct	Hoogeveen – Col du VAM	149.8 km	114.1 km	Road / hilly
Stage 5	Sun 18 Oct	Arnhem – Arnhem	149.2 km	70.1 km	Road / sprint

Prologue and Stage 2 are individual time trials. Stage profiles, detailed route maps and final-kilometre maps are produced separately (Procyclingmaps) and added in Part 2: Stage Information.

Distance women: 114.1 km

ARNHEM

18 October
Distance men: 149.2 km
Distance women: 70.1 km

WELCOME TO THE ENECO TOUR!

With great pride I can welcome you to the Eneco Tour. A well-known name in cycling, which returns after a decade. It makes me even more proud to be able to welcome the women's cycling teams this year. Across six exciting stages, we look forward to seeing the best teams and riders battle it out while showcasing the many different sides of the Netherlands – our beautiful, bike-friendly and cycling-mad country.

The fact that Eneco is returning to cycling says a lot about the status of our beloved sport at this point in time. When Eneco decided to return to sponsoring sports, cycling was the logical choice for them, as it was still in the heart of the company. Together we want to create the most sustainable cycling race on the calendar and we look forward to working together with you in achieving this goal as well.

We believe that showing the best parts of the Netherlands in six days goes hand in hand with getting people excited about creating an even better world. This is the story we want to tell by setting up a safe and innovative race.

Including the women's teams is an important part in this story. We believe in combining men's and women's cycling, helping to grow the sports on all fronts. This will most definitely draw even more fans to the race and bigger audiences to the broadcasts.
Just like last year, we have created stages with a little bit for everyone. From sprint to time-trial specialists or the classical riders that love the hills of the Netherlands, every rider can find a stage that suits.

On behalf of myself and my colleagues: we hope to be a great end of your season and wish you all a fantastic week.
See you in October!

ROXANE KNETEMANN

Race Director, Eneco Tour

PRE-RACE INFORMATION

FINDING LOCATIONS — WHAT3WORDS

Throughout this race manual the key locations are given as a what3words address: three words after a triple slash, for example ///eats.stem.twig. This lets everyone navigate to the exact point, not just to the street.

How it works. what3words has divided the world into a grid of 3 by 3 metre squares, each with its own unique combination of three words. An address such as ///eats.stem.twig therefore points to one specific 3 metre square. In this example that square is the permanence entrance at Sportcampus Zuiderpark, a spot where a street name or postcode would be too vague for a start gate, a parking entrance or a sign-on.
How we use it. Every start, finish, parking, sign-on and other operational location in this manual carries a ///three.word address next to the street address. To navigate, open the free what3words app (iOS/Android) or go to what3words.com, type or paste the three words, and follow the route; the app also works offline once installed. Please use the what3words address for the final approach, as several venues share one street or have more than one entrance.

HEADQUARTERS

Valschermkade 30, 1059 CD Amsterdam

PERMANENCE / WELCOME DESK

Team registration and the sports directors' meetings take place on Monday 12 October, separately for the women's and men's races (see timetable next page). Team officials collect their race numbers at the permanence desk.

Location: Sportcampus Zuiderpark, Den Haag, ///eats.stem.twig

ORGANISATION

TIG SPORTS & EVENTS

TIG Sports & Events has grown since 2004 into a leading event agency, managing a wide range of international sporting events in the Netherlands, including golf, Formula 1, beach volleyball, hockey, rowing, sailing, short-track and athletics.

Since 2024 the Amsterdam-based agency has also expanded into large public events. With the Eneco Tour, TIG Sports & Events joins the world of cycling to create unique experiences for cycling fans.

COURAGE EVENTS

Courage Events is an organising body for cycling disciplines in the Netherlands. Acting as an independent organiser, or in a supporting or advisory role, the organisation is involved in everything from international professional races to youth competitions focused on talent development. Courage Events brings its expertise to the Eneco Tour and, together with TIG Sports & Events, delivers an outstanding event.

The greatest moments are those we share. On the road and beyond, thousands of people come together to enjoy world-class cycling, a fantastic atmosphere and unforgettable experiences. That is why Postcode Loterij is proud to be a new partner of the **Eneco Tour**. We look forward to a week filled with memorable moments and special encounters. A week in which fans can experience the Eneco Tour up close and enjoy everything that makes this iconic cycling race so unique. Good luck to all the riders. And to everyone along the route: enjoy every mile together. Bringing people together. That is **The Power of Postcodes**.

RESPECT THE ENVIRONMENT

The Eneco Tour is the platform on which Eneco tells the story of the energy transition and inspires people to take part in it, captured in the line "Wie doet er mee?" ("Who's in?"). Sustainability is built into how the race is organised, and we ask every team, official, partner and supplier to support this ambition and to behave in an environmentally responsible manner at all times.

Mobility
We electrify the event fleet wherever operationally possible and give preference to electric vehicles and rechargeable equipment. We reduce unnecessary transport between stages through smart logistics planning, and ask suppliers to use sustainable vehicles. Visitors and staff are encouraged to travel by bike, public transport or carpool.

Energy
Certified green power is the standard at all venues. We give preference to existing grid connections over temporary generators; where generators are unavoidable, HVO fuel is used. Energy-efficient equipment and lighting are used throughout, and energy use is monitored per location.

Waste, recycling & reuse
Materials are designed for multi-year use, with reuse as the starting point for purchasing and single-use materials minimised. Waste streams are separated and recycled where possible, in collaboration with a collect & clean partner.

Litter zones for riders and teams
Designated litter zones (green zones) are provided along each stage. Riders may only dispose of bottles, gels, wrappers and other waste within these zones, in line with UCI regulations, and discarding waste outside them may result in penalties. Litterzones are situated 500m before and after the feeding zones.

The Eneco Tour is also a combined event in which men and women race on the same day, partly on the same parcours, reflecting Eneco's commitment to inclusion and equal visibility.

SAFE DRIVING DURING THE ENECO TOUR

Safety comes first at the Eneco Tour. Eneco and the organisation place the safety of riders, staff, spectators and local residents above every other consideration. The race runs on open and partially closed public roads in the Netherlands, frequently with spectators close to the route, so every driver and race follower shares responsibility for a safe event. Dutch traffic law (RVV 1990) applies at all times, and the limited tolerances granted within this event never reduce a driver's legal responsibility in the event of an accident.

Speed and distance
Adjust your speed to the road, the conditions and the crowds. Observe the posted limits, typically 30 or 50 km/h in built-up areas, and slow right down wherever spectators line the route. Keep a safe distance within the convoy and never crowd the vehicle ahead.

Vehicle, seatbelts and visibility
Seatbelts are mandatory in both the front and rear seats. Drive with dipped headlights on at all times, including in daylight. Check your vehicle visually before every stage and check tyre pressures weekly; report any defect immediately.

Alcohol, drugs and phones
The event applies a strict zero-alcohol (0.0%) policy for all drivers, which is below the Dutch legal limit. Driving under the influence of drugs, or of medication that affects driving ability, is prohibited. Handheld use of a mobile phone while driving is forbidden under both Dutch law and event rules.

On the route
Always follow the instructions of the race organisation, traffic controllers (verkeersregelaars), police and marshals regarding access and evacuation. U-turns and driving against the flow of traffic on the race route are strictly prohibited, even over a short distance. Stay well-rested and alert throughout the event.

Penalties
Improper behaviour such as speeding, phone use or ignoring instructions may result in penalties ranging from a warning to temporary exclusion from the race, with more severe sanctions for serious or repeat offences. Refusal to comply with vehicle regulations leads to the immediate withdrawal of the vehicle from the convoy and referral of the driver to the disciplinary committee.

Outside the race, all support vehicles must comply with the laws and regulations applicable in the Netherlands.

AWARDS & COMPETITIONS

The following classifications and awards are contested across the Eneco Tour. They follow the race regulations (see Part 3 — Technical).

GENERAL CLASSIFICATION

Race Leader — General Classification
Overall leader on cumulative time across the prologue and all stages. Wears the orange jersey.

POINTS CLASSIFICATION

Decided by adding points from stage finishes and intermediate sprints. Leader wears the blue jersey.

BEST YOUNG RIDER

Highest-placed rider born on or after 1 January 2003 in the general classification (under-23). Wears the white jersey.

MOST COMPETITIVE RIDER

Awarded each day to the most combative rider, chosen by the organisation. Riders are assessed at a fixed point 10 km before the finish, on the basis of fighting spirit and racing conduct. Wears the red jersey.

AWARDS

EVENT LEADERS' JERSEYS

Four jerseys are awarded — general classification, points, best young rider and the combativity (most combative rider) classification. The organisation supplies the jerseys.

GENERAL CLASSIFICATION

Overall leader on cumulative time

MOST COMPETITIVE RIDER

Most combative rider of the day

POINTS CLASSIFICATION

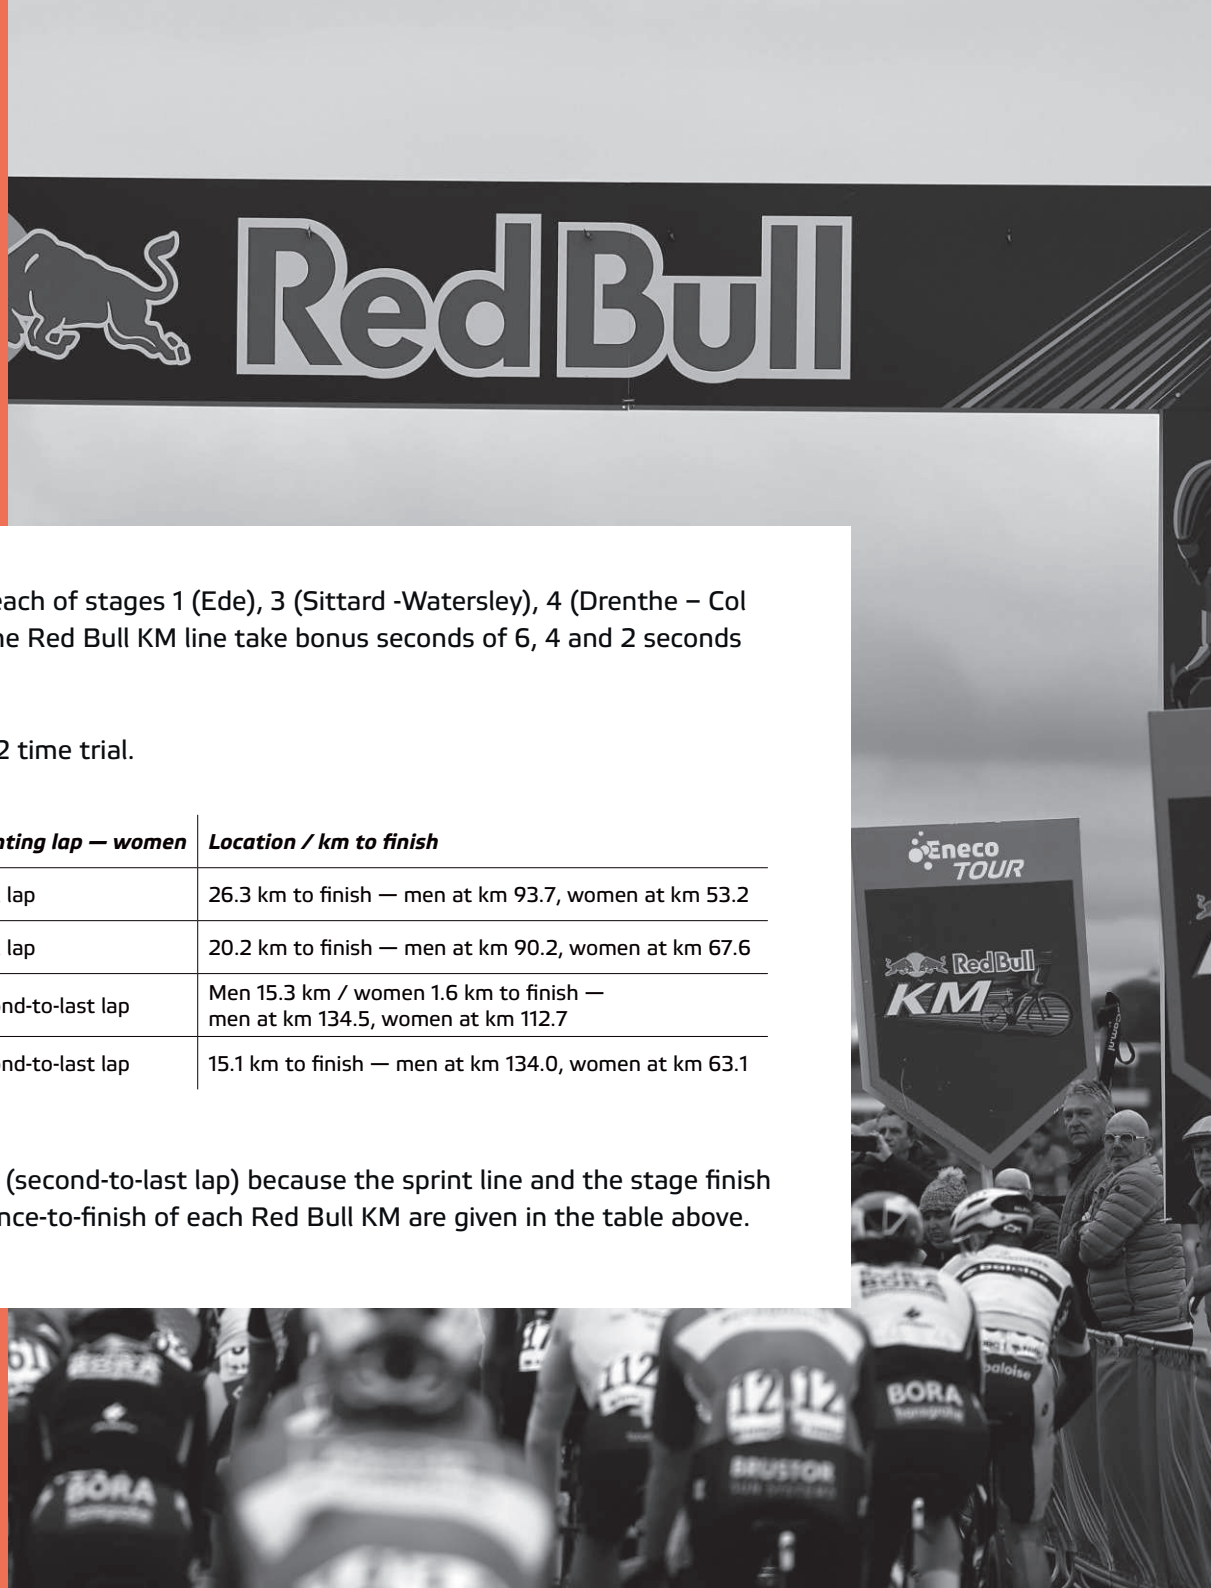

Leader of the points classification

BEST YOUNG RIDER

Best-placed rider born on/after 1 Jan 2003

RED BULL KILOMETER

The Red Bull KM is an intermediate sprint held once in each of stages 1 (Ede), 3 (Sittard -Watersley), 4 (Drenthe – Col du VAM) and 5 (Arnhem). The first three riders across the Red Bull KM line take bonus seconds of 6, 4 and 2 seconds respectively, in both the men's and women's races.

There is no Red Bull KM in the prologue or in the stage 2 time trial.

Stage	***Counting lap — men***	***Counting lap — women***	***Location / km to finish***
Stage 1 — Ede	Final lap	Final lap	26.3 km to finish — men at km 93.7, women at km 53.2
Stage 3 — Sittard – Watersley	Final lap	Final lap	20.2 km to finish — men at km 90.2, women at km 67.6
Stage 4 — Hoogeveen – Col du VAM	Second-to-last lap	Second-to-last lap	Men 15.3 km / women 1.6 km to finish — men at km 134.5, women at km 112.7
Stage 5 — Arnhem	Second-to-last lap	Second-to-last lap	15.1 km to finish — men at km 134.0, women at km 63.1

Note. In Drenthe the Red Bull KM counts one lap earlier (second-to-last lap) because the sprint line and the stage finish lie only about 700 m apart. The exact location and distance-to-finish of each Red Bull KM are given in the table above.

*Subject to change.

** Men and women will start alternately.*

PROLOGUE
FOREWORD

A WARM WELCOME TO THE HAGUE!

We are proud to welcome the Eneco Tour back to our city. The prologue takes place in the Zuiderpark, starting from the iconic Sportcampus Zuiderpark. This home of sport in The Hague is a place for enjoyment, talent and development, where elite sport, recreational sport and the people of the city come together. The Hague is the Sports City by the Sea: a city that hosts major sporting events and wants as many residents as possible to experience how much fun sport and exercise are — and cycling in particular.

With almost 150 kilometres of cycle paths, The Hague is a true cycling city. Along the way you ride past palaces, parks, international organisations, lively neighbourhoods and, of course, Scheveningen. A beautiful 11-kilometre route runs along the coast with a view of the sea. Did you know that The Hague is the only major Dutch city directly on the coast? From the city centre you can cycle to the beach in about twenty minutes.

The Eneco Tour is therefore a perfect fit for The Hague. The race brings elite sport up close and shows how enjoyable, fast and versatile cycling is. We use the energy of the event to get the people of The Hague moving. Young or old, experienced cyclist or beginner — everyone can take part.

In the run-up to the prologue we are organising cycling activities throughout the city. Children can try BMX, improve their bike-handling skills, ride a race or get on a road bike for the first time. There are also tours, cycling lessons, spectacular demonstrations and clinics. The full programme can be found at denhaag.nl/enecotour.

On Tuesday 13 October everything comes together in the Zuiderpark. We hope that many people will line the route and enjoy the sport, the music, the bike festival and the atmosphere of The Hague together.

Enjoy The Hague — and please come back again. At denhaag.com you will find plenty of inspiration for your next visit.
Riders, teams, officials, volunteers, media and visitors: welcome, and we wish you a wonderful, sporting and unforgettable start to the Eneco Tour!

STAGE 1
FOREWORD

A WARM WELCOME TO EDE!

How special that Ede may be the setting for the first stage of the Eneco Tour. Together with all the riders, everyone involved and cycling enthusiasts, we look forward to enjoying a wonderful day of cycling in our municipality.

Ede is a beautiful place to get moving. Town, villages and nature lie close together here. The course takes the riders through the varied Veluwe landscape — past forests, heathland and open fields — giving both the riders and the public along the route plenty to see of our surroundings.

Sport also plays an important role in Ede. Of course it is about performance and perseverance, but the enjoyment, the encounters and the shared experience matter just as much. We see this every day at our sports clubs, and no doubt we will see it along the route too, with many residents and visitors cheering the riders on and enjoying the race together.

It is extra special that this year both the women and the men ride their own Eneco Tour. That means we can enjoy top-level cycling up close twice over. Hopefully that inspires young and old to get on their bike themselves, or to get moving in another way.

I wish all riders and teams a beautiful, exciting stage. Enjoy the race, the hospitality and everything our region has to offer. Welcome to Ede!

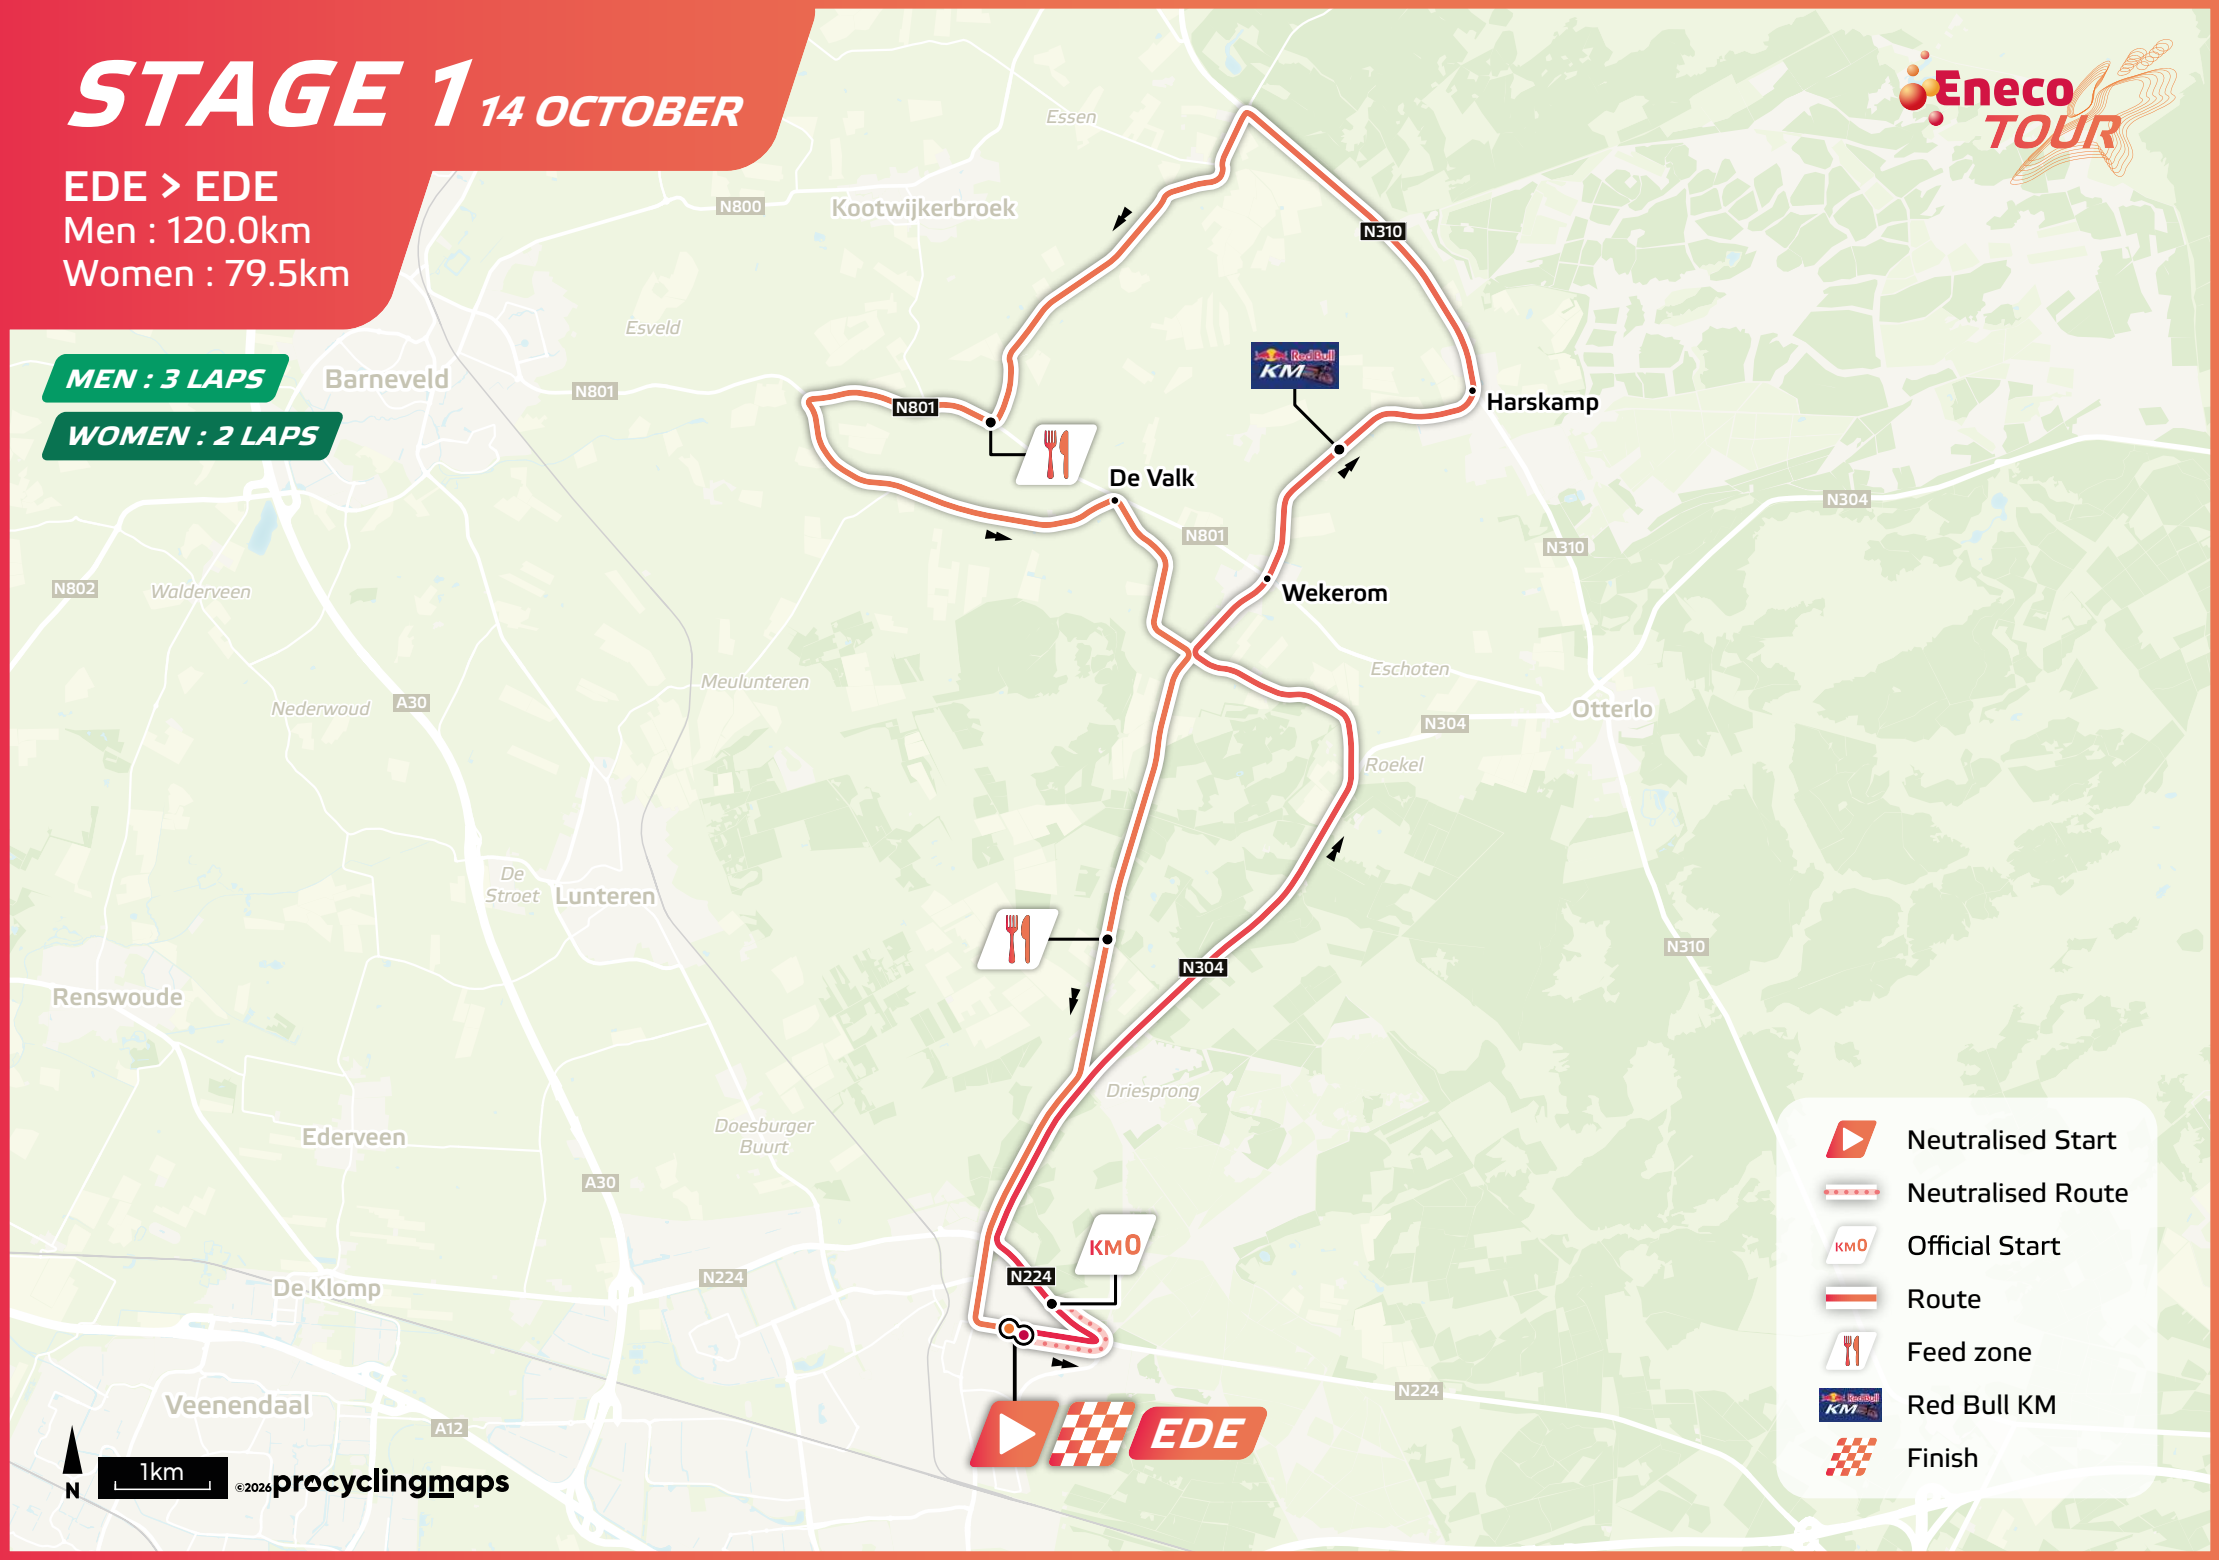

Gabriëlle Hazeleger
Deputy Mayor for Sport and Events

STAGE 2
TILBURG
(STAPPEGOOR – GOIRLE – HILVARENBEEK)
THURSDAY 15 OCTOBER

Date	Thursday 15 October
Start – Finish	Tilburg (Stappegoor – Goirle – Hilvarenbeek)
Permanence	Curlingstraat 15, Tilburg
Type	Individual time trial
Distance — women	13.6 km
Distance — men	13.6 km
Deviation team cars	0.2 km before finish at roundabout right
Reconnaissance	09:30 - 10:30
Pre Race Check women	08.30
Pre Race Check men	10:45
Commissaires meeting women	09:15
Commissaires meeting men	11:30
Start — women	10:30
Start — men	12:45
Finish ETA — women	12:45
Finish ETA — men	15:00
Ceremony women	13:00
Ceremony men	15:15

STAGE 2
FOREWORD

WELCOME TO TILBURG!

Or, as we like to say ourselves: welcome to “the finest city in the land”. We say that with a wink, of course — but, as with many Tilburg sayings, there is a kernel of truth in it. Anyone who gets to know Tilburg discovers a city with a character all of its own: a city that does not like to show off, but is proud of what it achieves together.

Tilburg is a city on the move. It is in our past and in our DNA. We grew up among wool and textiles, and learned to work hard and, above all, to experiment and get things done. You can still see that mentality today — in the businesses, the schools, the neighbourhoods and on the sports fields. Here, plans are not discussed endlessly; they are simply carried out.

At the same time, Tilburg is known for its people, for “Kruikenstad” and carnival, for the feeling that everyone is welcome, and for the belief that together you achieve more than alone. Perhaps that is why major events feel so at home here. It is no coincidence that Tilburg was named Events City of the Year in 2024. We love bringing people together — whether for the Tilburg Fair, a festival such as Kaapstad Festival, a concert at Poppodium 013, or a cycling stage.

The Eneco Tour is therefore a perfect fit for Tilburg: an event built on innovation, perseverance and shared experience — values that suit a city in constant development, where renewal, creativity and sustainability increasingly go hand in hand.

On behalf of all the people of Tilburg, we wish the riders, teams, officials, broadcasters and volunteers a wonderful time trial. Enjoy the race, enjoy the crowds along the roadside, and enjoy our magnificent region (intilburg.com).

Ceremony men	16:15

STAGE 3
FOREWORD

WELCOME TO WATERSLEY SPORTS & TALENTPARK

Watersley is more than a sports venue. It is a place where talent, ambition and development come together — a place where young athletes from the Netherlands and abroad live, train, learn and grow, not only as athletes but also as people.

The municipality of Sittard-Geleen and Watersley Sports & Talentpark are proud to welcome all riders, sports directors, officials, partners, media and cycling enthusiasts to the Limburg stage of the Eneco Tour.

That this stage visits Watersley feels only natural. Cycling is deep in Watersley's DNA. Every day, athletes here work on their dream in an environment where elite sport, education, health and international exchange come together. The Eneco Tour brings that world even closer.

The region breathes cycling too. South Limburg — with its rolling roads, short climbs, characterful villages and passionate public — is a magnificent setting for an international bike race. Sittard-Geleen lies at the heart of this cycling region and shares the ambition to make sport, vitality and talent development visible. This stage is not only about winning. It is about showing what is possible with talent, perseverance, teamwork and belief in a dream. For young athletes, visitors and residents, it is a chance to experience elite sport up close and to be inspired.

We thank the municipality of Sittard-Geleen, the Province of Limburg, the organisation, all partners and the many volunteers who make this stage possible. It is thanks to their efforts that an event of this scale can come to life.

We wish all participants a sporting, safe and successful stage. Enjoy Watersley, Sittard-Geleen and the beautiful Limburg cycling landscape.

A warm welcome to Watersley.

HOOGEVEEN – COL DU VAM
SATURDAY 17 OCTOBER

Date	Saturday 17 October
Start – Finish	Hoogeveen – Col du VAM
Permanence	Dorpshuis De Weidehoek, Meester Haddersstraat 31, Wijster
Type	Road / hilly
Distance — women	114.1 km
Distance — men	149.8 km
Neutralization	1.3 km
Deviation team cars	1.6 km before the finish straight
Commissaires meeting women	10:15
Commissaires meeting men	11:15
Start — women	11:30
Start — men	12:45
Finish ETA — women	14:15
Finish ETA — men	16:00
Ceremony women	14:30
Ceremony men	16:15

STAGE 4
FOREWORD

WELCOME TO DRENTHE, THE CYCLING PROVINCE OF THE NETHERLANDS

Dear reader,

Drenthe is proud to welcome the Eneco Tour again this year. It is one of the finest cycling events in the Netherlands, bringing together elite sport, talent development and the sheer joy of cycling in a way all its own.

What makes this race special is that both women and men ride the Eneco Tour. In doing so, the race shows exactly what cycling stands for: talent, ambition, perseverance and equal opportunity. Drenthe and cycling belong together. Here we happily head out "op fietse". Whether it is a leisurely ride through nature, a training session on the road bike or a performance at the very highest level, cycling is part of who we are. Every year our province hosts countless national and international cycling events, from the European Junior Cycling Tour Assen to the European Championships.

In this edition the stage starts in the municipality of Hoogeveen. From there the peloton travels through a province known for its space, its calm and its beautiful cycling country. The route leads the riders past characterful villages, through a varied landscape and, of course, over the VAM-berg. The "Roof of Drenthe" has become an icon of Dutch cycling and, time and again, proves a worthy arbiter of the race.

Sport connects. Along the route, residents, visitors, volunteers and organisations come together to enjoy cycling at the highest level. Thanks to the dedication of many, we can once again host an event of which we, as a province, are proud.

I wish all riders every success, I thank the volunteers and organisers for their tremendous efforts, and I wish every visitor a wonderful day of sport.

Enjoy the Eneco Tour and all that Drenthe, the cycling province, has to offer.

Bart van Dekken
Deputy for Sport
Province of Drenthe

STAGE 4 17 OCTOBER

HOOGEVEEN > COL DU VAM

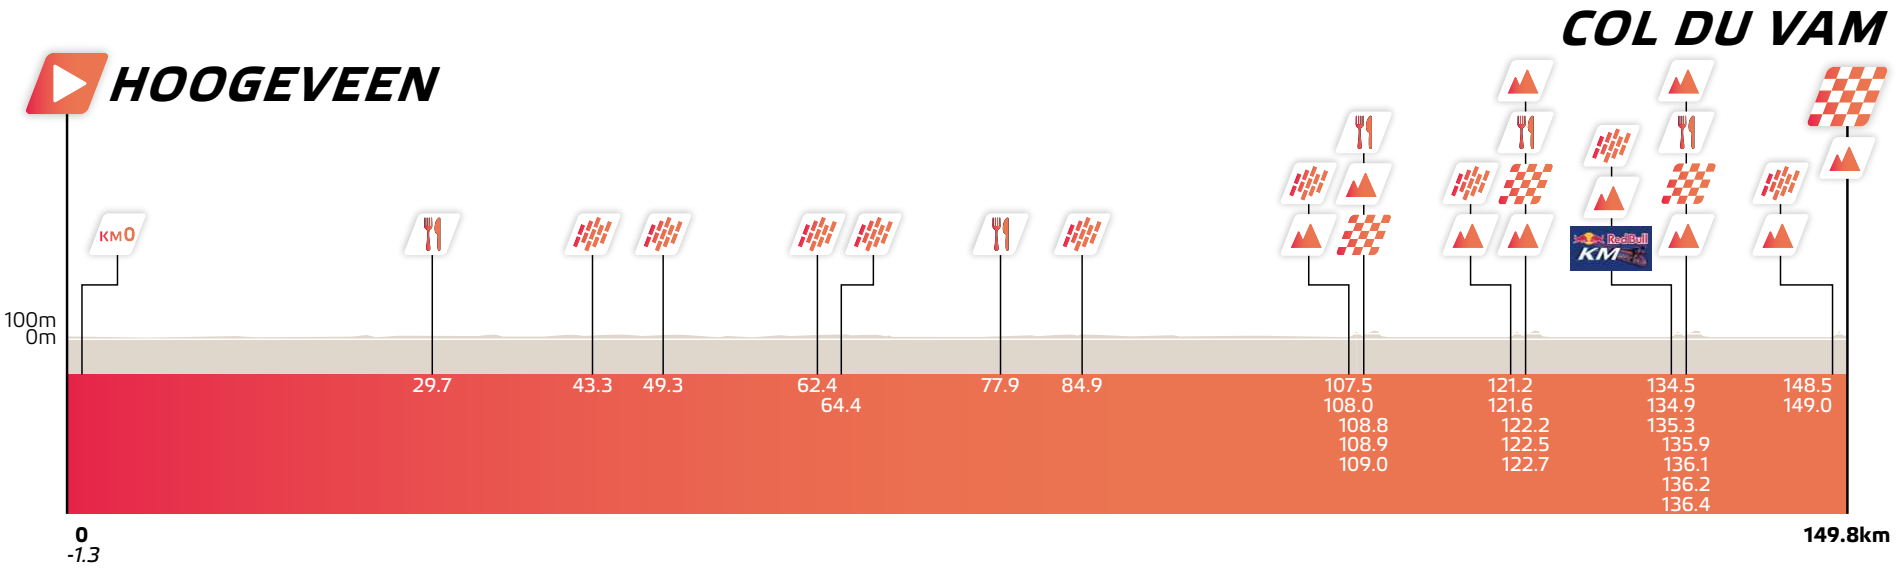

Men : 149.8km

FINAL CIRCUIT : 4 LAPS

STAGE 4 — NOTES

STAGE 5
ARNHEM
SUNDAY 18 OCTOBER

Date	Sunday 18 October
Start – Finish	Arnhem – Arnhem
Permanence	Sporthal Valkenhuizen, Beukenlaan 15, Arnhem
Type	Road / sprint (circuit)
Distance — women	70.1 km
Distance — men	149.2 km
Neutralization women	2.8 km
Neutralization men	2.4 km
Deviation team cars	0.8 km before the finish straight
Commissaires meeting women	11:15
Commissaires meeting men	11:15
Start — men	12:30
Start — women	12:35
Finish ETA — women	14:20
Finish ETA — men	15:40
Ceremony women	14:30
Ceremony men	16:00

STAGE 5
FOREWORD

WELCOME TO GELDERLAND

It is with pride that we welcome the Eneco Tour to Gelderland this year, the sports and cycling province of the Netherlands. The Eneco Tour is a unique event in which women and men together make up a single race, a fine reflection of the values of cycling: equality, talent, ambition and passion. These values sit well with Gelderland, where we work for a society in which everyone has the chance to take part and to develop, including in sport.

What makes this year extra special is that two stages take place in Gelderland, in the municipalities of Ede and Arnhem. Together they capture the many faces of Gelderland: from the vast nature of the Veluwe and the characterful villages around Ede to the lively city of Arnhem, where history, culture and sport come together. With its varied landscape, Gelderland is the perfect backdrop for two days of top-level sport and an exciting race that I am very much looking forward to.

Gelderland breathes sport. Every year, numerous appealing national and international sporting events take place here. Those events inspire people to get moving themselves, because elite sport and grassroots sport strengthen one another. The performances of today's riders motivate the cycling talents and recreational cyclists of tomorrow. That is exactly why we, as a province, invest in an environment where everyone can take part in sport and exercise, whether it is children riding their first metres on a bike, recreational cyclists enjoying our many cycle routes, or elite athletes performing at the highest level. In Gelderland, everyone is given the space to realise their sporting ambitions.

I wish all riders a wonderful and successful race. And to all supporters, volunteers and organisers: thank you for your dedication and enthusiasm. I wish you all a great spectacle, and above all let yourself be inspired by the passion, commitment and ambition of these top riders. Together we will make this an event to be proud of.

Helga Witjes
Deputy for Sport, Province of Gelderland

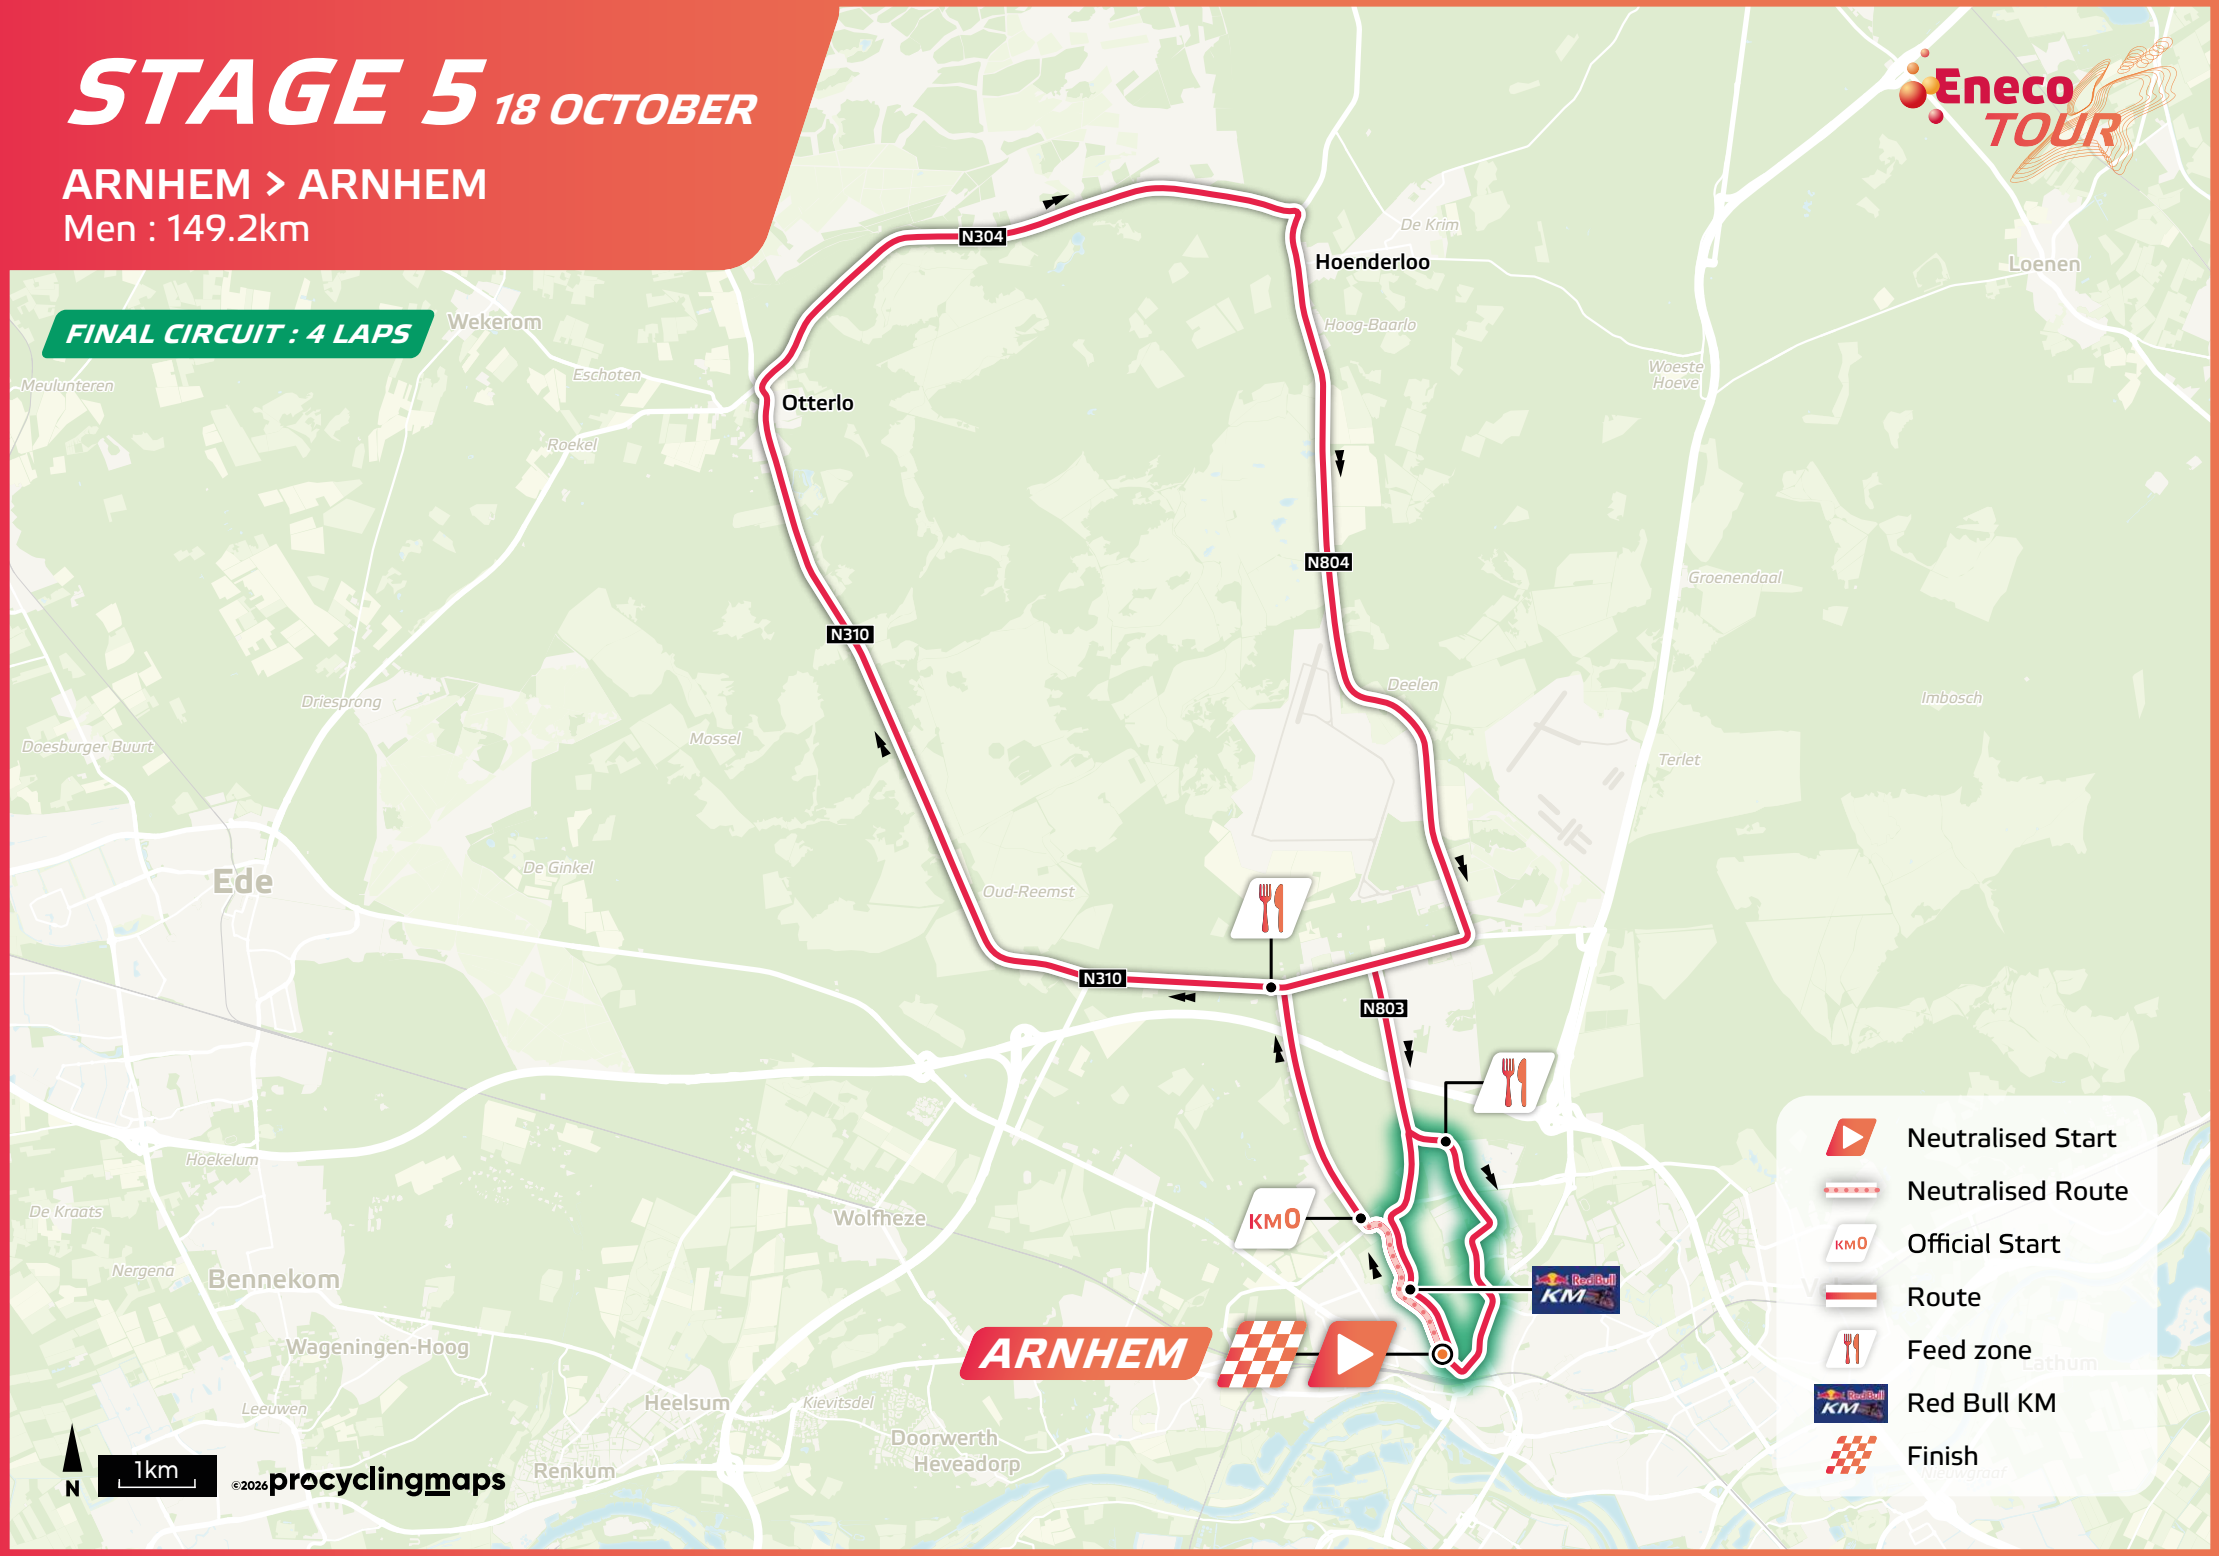

STAGE 5 18 OCTOBER

ARNHEM > ARNHEM

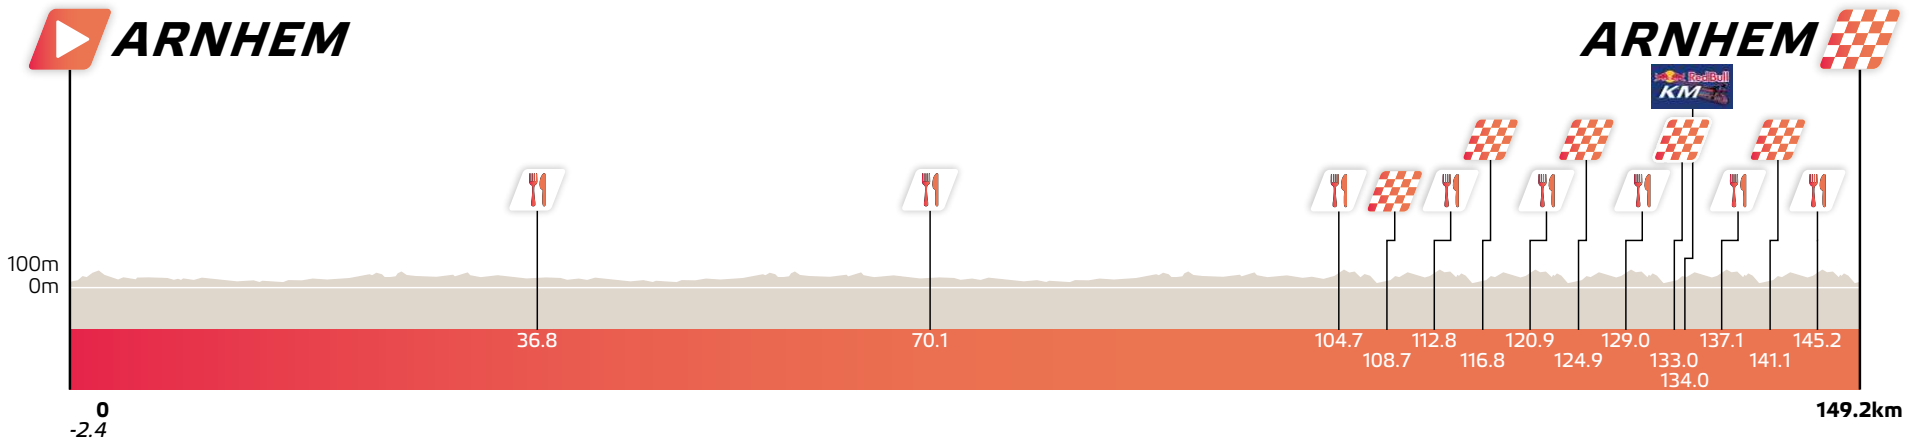

Men : 149.2km

FINAL CIRCUIT : 4 LAPS

STAGE 5 — MEN

Broom wagon	Patrick Knoben	Hielke Haanstra

SPECIFIC RACE REGULATIONSLATIONS

ARTICLE 1. ORGANISATION

The Eneco Tour is organised by TIG Sports & Events under the regulations of the Union Cycliste Internationale (UCI). It takes place from Tuesday 13 to Sunday 18 October 2026 and consists of a prologue and five stages. The Eneco Tour is registered as a class 2.1 event on the UCI Europe Tour calendar.

ARTICLE 2. PARTICIPATION

The event is open to UCI WorldTeams, UCI ProTeams and UCI Continental Teams.
A maximum of 20 teams take part.
Each team consists of a maximum of 6 and a minimum of 4 riders. By entering, participating in or being present at the event, each team, each of its members and, more generally, each accredited person confirms that they accept all of the provisions of these regulations and undertake to comply with them.

ARTICLE 3. PERMANENCE

The permanence (welcome desk) is located at Sportcampus Zuiderpark, Den Haag (/// eats.stem.twig) and opens on Monday 12 October. Team officials collect their team's race numbers here. Team registration takes place on the same day: women's teams 14:30–15:30 and men's teams 15:45–16:45. The sports directors' meetings and commissaires' meetings are held the same afternoon, separately for the women's and men's races; the full schedule with exact times is given in the pre-race timetable (Part 1). For the individual stages, the start and finish details are given on the relevant stage page.

ARTICLE 4. GENERAL INDIVIDUAL CLASSIFICATION

The general individual classification is established by adding together the times recorded in each of the five stages and the prologue. In the event of a tie, the hundredths of a second recorded during the time trials are taken into account to split the riders. In case of a further tie, the finishing positions obtained at each stage are added together, and the rider with the lower total takes the better position. If a tie remains, the finishing position obtained during the previous stage splits the riders. The leader of the general individual classification after each stage wears the orange leader's jersey.

ARTICLE 5. POINTS CLASSIFICATION

The general points classification is established by adding up the points earned in each stage. In all individual stages the first fifteen ranked riders are awarded points on the following scale: 25, 20, 16, 14, 12, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1.
No points are awarded at intermediate sprints. The Red Bull KM, the sole intermediate sprint on stages 1, 3, 4 and 5, awards bonus seconds only (see Article 9 and the Red Bull KM page in Part 1).
In the event of a tie, the following criteria apply in order: (1) the number of stage wins; (2) the position in the general individual classification on time. The leader of the points classification after each stage wears the blue leader's jersey. Riders must finish the Eneco Tour to be eligible for the points classification prizes.

ARTICLE 6. BEST YOUNG RIDER CLASSIFICATION

The best young rider classification is contested only by riders born on or after 1 January 2004 (under-23, in line with the

UCI age category). The highest-placed eligible rider in the general classification is the leader of the young rider classification. The leader after each stage wears the white leader's jersey.

ARTICLE 7. COMBATIVITY CLASSIFICATION

The winner of the combativity classification is determined daily by the organisation. The assessment takes place at a fixed moment 10 kilometres before the finish. On the basis of each rider's fighting spirit and racing conduct, the organisation decides who wins the combativity classification for that day.

ARTICLE 8. TEAM CLASSIFICATION

In accordance with article 2.6.013 of the UCI Regulations, a team classification is established for each stage and for the general classification. The team time for each stage is obtained by adding together the times of the best three riders of each team; in the event of a tie, the sum of the placings of the best three riders is used, and if teams remain tied, the place of the best-placed rider on the stage decides. The general team classification is the sum of the daily team classifications; ties are resolved by the number of first, second and subsequent places obtained in the daily team classifications, and finally by the general individual classification of the best-placed rider of each team. In accordance with article 2.6.018 of the UCI Regulations, the team classification has no leader's jersey; if required by the organisation, the riders of the leading team wear a distinctive bib number.

ARTICLE 9. TIME BONUSES

Time bonuses are awarded at the finish of the stages, excluding the time trials: 10, 6 and 4 seconds to the first three classified riders. In addition, time bonuses of 6, 4 and 2 seconds are awarded to the first three riders at the Red Bull KM, an intermediate sprint held once in stages 1, 3, 4 and 5 (for both the men's and women's races). The location and counting lap of each Red Bull KM are listed on the dedicated Red Bull KM page in Part 1.

ARTICLE 10. TIME LIMITS

The time limits are: stages 1 and 5: 10%; stages 3 and 4: 15%; prologue and stage 2: 25%. Any exception may be decided by the commissaires' jury after consultation with the race director.

ARTICLE 11. LEADERS' JERSEYS

In accordance with the UCI Regulations (article 2.6.018), the leaders of the classifications wear the distinctive leader's jerseys supplied by the organisation. All classification leaders must wear their leader's jersey: the general individual classification by time (orange), the points classification (blue), the best young rider classification (white) and the combativity classification (red). The team classification has no leader's jersey; if required by the organisation, the riders of the leading team wear a distinctive bib number. The leader's jerseys may carry rectangular advertising strips bearing the team's name within the limits set by the UCI Regulations. The order of priority of the leaders' jerseys is: orange (general classification by time), then blue (points), then white (best young rider), then red (combativity). If a rider leads more than one classification, he wears only the jersey highest in this order; the other jerseys are then worn by the next-placed rider in the relevant classification, unless that rider must wear a world, continental or national champion's jersey. If the leader of a classification does not start a stage, the virtual leader may wear the jersey, subject to the consent of the organisation and the president of the commissaires' panel.

No leader's jersey is worn during the first day (the prologue). Skinsuits are provided to the leaders of the classifications for the time trial in stage 2. The leaders' jerseys must be worn from the pre-stage sign-on until the post-stage press conference; the leader of a classification may attend the official ceremony wearing the jersey of his team.

ARTICLE 12. TIME TRIALS

The prologue and stage 2 are contested as individual time trials, with riders starting at one-minute intervals. The course is open for official reconnaissance and training before the start: in the prologue (The Hague) from 17:00 to 18:00, and in stage 2 (Tilburg) from 09:30 to 10:30. Once the first rider has started, training on the course is prohibited. In stage 2, riders set off in reverse order of the general individual classification at the end of stage 1. In the prologue, teams start in a randomly drawn order and may decide the order among their riders.

ARTICLE 13. STAGES EXPECTED TO FINISH IN A BUNCH SPRINT

The following stages are identified as expected to finish in a bunch sprint: stage 1 (sprint zone starts at 3 km) and stage 5 (sprint zone starts at 3 km). During these stages the UCI sprint-zone protocol for stages expected to finish in bunch sprints applies, and the time-gap calculation is applied as provided for in the protocol. Stages 3 (Watersley) and 4 (Col du VAM) finish uphill and are designated as summit finishes; they are not expected to finish in a bunch sprint, and the last-3 km safety rule (article 2.6.027 of the UCI Regulations) does not apply to these stages.

ARTICLE 14. CEREMONY PROTOCOL – INTERVIEWS

In accordance with article 2.6.018bis of the UCI Regulations, after each stage the following take part in the official award ceremony, in this order: the winner of the stage; the leader of the general individual classification by time (orange jersey); and the leaders of the other classifications — points (blue), best young rider (white) and combativity (red) — with the exception of the team classification. The stage winner and the leader of the general individual classification must also report to the press room.

After the final stage the following take part in the closing ceremony, in this order: the winner of the final stage; the winners of the other classifications, including the team classification; the first three riders of the general individual classification by time; and all riders wearing a leader's jersey. Subject to prior notice to the president of the commissaires' panel, the organisation may modify this order for operational reasons.

ARTICLE 15. ANTI-DOPING CONTROLS

The UCI anti-doping regulations apply in full to the event. In addition, and in conformity with Dutch law, the anti-doping rules of the Dopingautoriteit (Doping Authority Netherlands) apply alongside the UCI regulations. Doping controls are carried out by designated officials at an anti-doping unit located adjacent to the finish of each stage. The organiser reserves the right to refuse riders or teams whose participation would be incompatible with the reputation of the race. The exact location of the anti-doping station is indicated on the venue map of each stage in Part 2.

ARTICLE 16. PENALTIES

The UCI scale of penalties applies. The men's race is also subject to the UCI Yellow Card regulations; these do not apply to the women's race.

ARTICLE 17. DISQUALIFICATION – EXCLUSION

Breaches of these regulations and of the UCI Regulations are penalised by the commissaires' panel in accordance with the UCI scale of penalties. Offences committed on the public road in and around the start and finish areas fall under the authority of the police. The organisation may refuse or exclude a team or a member of its entourage whose conduct seriously harms the image of the event; such a decision is communicated to the team in writing, stating the reasons.

ARTICLE 18. BETTING

In order to avoid any risk of conflict of interest, the teams and each of their members (riders, support staff, coaches, doctors, etc.) are obliged not to engage personally in sports betting relating to the Eneco Tour, either directly or through an intermediary.

ARTICLE 19. UCI CLASSIFICATIONS

In accordance with Chapter X of the UCI Regulations (article 2.10.008), the Eneco Tour awards points for the UCI World Ranking. As a class 1 event, the following scale applies to both the men's and women's races:

Final general classification (places 1–25): 125, 85, 70, 60, 50, 40, 35, 30, 25, 20, 15, 10, 5, 5, 5, then 3 points for places 16 to 25.

Prologue and each stage (places 1–3): 14, 5, 3 points.

Wearing the leader's jersey of the general classification by time: 3 points per stage.

ARTICLE 20. RADIO

Race information is broadcast during the race via the KNWU Radio Tour channel. The men's race uses the Tour channel (KNWU channel 1), 155.9375 MHz. The women's race uses the Tour channel (KNWU channel 2), 155.9125 MHz, on stages that overlap with the men's race.

ARTICLE 21. NEUTRAL TECHNICAL ASSISTANCE

Neutral technical assistance during the stages is provided by Pasion for Cycling, with three cars for both men and women.

ARTICLE 22. ENVIRONMENT AND FEEDING

Designated feed and drink zones and waste zones (green zones) are provided on each stage. Riders may only dispose of their waste, bottles and any other objects within the green zones. The feed zones and green zones are marked on every stage map and are shown in the race schedules in Part 2. Riders and race followers must behave in an environmentally responsible manner in all circumstances (see also Part 1 — Respect the Environment).

ELECTRIC CARS IN THE TOUR

The Eneco Tour is proud to run its organisation fleet on electric power. Together with our partner Eneco, we bring the energy transition onto the race route: the vehicles that keep the race moving are electric and charged with clean energy. It is a visible sign that top-level cycling and sustainability belong together.

For us this is more than a logistical choice — it is something we are genuinely proud of and happy to share. As one of the first stage races in the Netherlands to run its organisation cars electric, the Eneco Tour leads by example and shows that a modern race can help drive positive change.

INFORMATION FOR DRIVERS & RADIO USERS

DRIVERS' INSTRUCTIONS

If you are provided with an event vehicle, please treat it as you would your own and keep it clean and tidy throughout.

Collection of vehicles. Unless requested otherwise, all race-convoy vehicles are collected on Monday 12 October, between 09:00 and 12:00, at Papendal, Papendallaan 49, 6816 VD Arnhem. The radio systems are issued here as well. All drivers must be at least 21 years of age and hold a current, clean driving licence; checks are made in advance. You must present your driving licence when collecting your assigned vehicle. Drivers are responsible for their vehicle and vehicles must not be interchanged.

A separate driver's manual, with the detailed instructions and responsibilities for the race convoy, is sent to all drivers and race-convoy staff before the event.

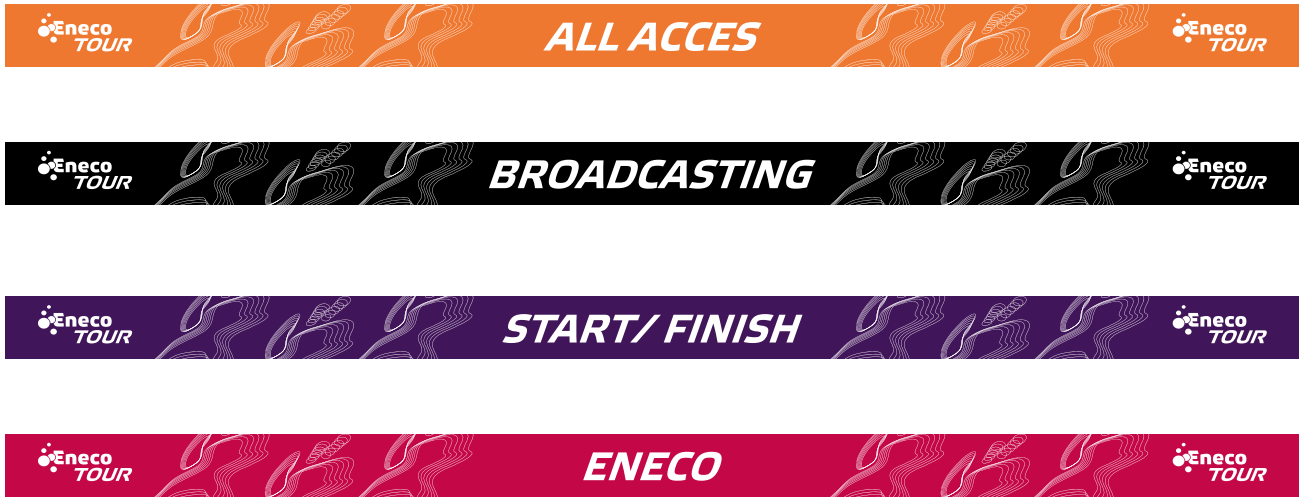

Returning vehicles. Vehicles are to be returned clean and tidy with all rubbish removed. Unless agreed otherwise in advance, vehicles must be returned on Sunday 18 October, between 17:30 and 21:00, to Papendal, Papendallaan 49, 6816 VD Arnhem.

COMMUNICATIONS EQUIPMENT

- All radios are pre-installed in the race-convoy vehicles; no hand-held radios are available.
- The vehicle radios are the responsibility of the assigned driver and must not be interchanged.
- Report any problem with your communications equipment to your manager immediately — do not wait until the start of the stage.
- Convoy vehicle radios are tested in the neutralised section before the start proper of every stage.
- All communication equipment must be handed back at the finish of the final stage or at vehicle return. Failure to return equipment will result in a charge to the individual who signed for it.

INTRODUCTION HOTELS

During the Eneco Tour 2026, the overnight stays will be divided into two parts to reduce travel time.

HOTEL SCHEDULE PER GROUP

PROLOGUE & STAGE 1 – ROTTERDAM AREA

The first overnight stay will take place in the Rotterdam area.

Check-in: Monday, 12 October
Check-out: Wednesday, 14 October

STAGES 2, 3, 4 & 5 – ARNHEM AREA

The second overnight stay will take place in the Arnhem area.

Check-in: Wednesday, 14 October
Check-out: Sunday, 18 October

ROOM ALLOCATION PER TEAM

The organisation will cover hotel costs from 12 to 18 October 2026, up to a fixed number of rooms and room types per team. In the tables below, you will find an overview of the number of rooms and types provided by the organisation for each team.

Additional rooms can be requested and are subject to availability. Any additional rooms will be at the team's own expense.

Mens	Single Rooms	Twin Rooms	Total Rooms
UCI World Tour	5	5	10
UCI Pro Continental	3	5	8
UCI Continental	2	5	7

Womens	Single	Twin	Total Rooms
UCI World Tour	4	4	8
UCI Pro Continental	3	4	7
UCI Continental	2	4	6

HOSPITALS

The medical posts below are taken from section 1.1 of the official care plans (zorgplannen) drawn up per stage by Sportdokters (event medical services / EZO) together with Courage National Events and the relevant safety region (veiligheidsregio). Each stage lists the reference hospital, the level-1 trauma centre where the care plan names one, and the GP out-of-hours post (huisartsenpost). In any life-threatening emergency, call 112.

PROLOGUE — THE HAGUE

Type	Facility	Address	Phone
Trauma centre (level 1)	HMC Westeinde	Lijnbaan 32, 2512 VA Den Haag	088 979 79 00
Hospital	HagaZiekenhuis	Els Borst-Eilersplein 275, 2545 AA Den Haag	070 210 00 00
GP out-of-hours post	Huisartsenpost HagaZiekenhuis	Charlotte Jacobslaan 10, 2545 AB Den Haag	070 346 96 69

STAGE 1 — EDE

Type	Facility	Address	Phone
Hospital (level 2)	Ziekenhuis Gelderse Vallei	Willy Brandtlaan 10, 6716 RP Ede	0318 433 700
Trauma centre (level 1)	Radboudumc	Geert Grooteplein Zuid 10 (ambulance entrance Geert Grooteplein 22), 6525 GA Nijmegen	024 361 11 11
Trauma centre (level 1)	Isala Zwolle	Dokter van Heesweg 2, 8025 AB Zwolle	088 624 50 00
GP out-of-hours post	Huisartsenpost Gelderse Vallei	Willy Brandtlaan 10, 6716 RP Ede	0318 200 800

STAGE 2 — TILBURG (ITT)

Type	Facility	Address	Phone
Hospital	ETZ (Elisabeth-TweeSteden Ziekenhuis)	Hilvarenbeekseweg 60, Tilburg	013 221 00 00
GP out-of-hours post	Huisartsen Spoedpost Tilburg	Lage Witsiebaan 2A, 5042 DA Tilburg	085 536 03 00 (evening/night)

STAGE 3 — SITTARD / WATERSLEY

Type	Facility	Address	Phone
Hospital	Zuyderland	Dr. H. van der Hoffplein 1, 6162 BG Sittard-Geleen (see note)	088 459 77 77
Trauma centre (level 1)	MUMC+ Maastricht	P. Debyelaan 25, 6229 HX Maastricht	043 387 65 43
GP out-of-hours post	Huisartsenpost Sittard-Geleen (no emergency dept)	Demystraat 1, 6162 AP Geleen	046 400 99 25

STAGE 4 — HOOGEVEEN / VAM-BERG

Type	Facility	Address	Phone
Hospital	Bethesda (Treant)	Dr. G.H. Amshoffweg 1, 7909 AA Hoogeveen (see note)	088 129 29 29
Trauma centre (level 1)	UMCG Groningen	Hanzeplein 1, 9713 GZ Groningen	050 361 61 61
GP out-of-hours post	Centrale Huisartsendienst Drenthe	Dr. G.H. Amshoffweg 1, 7909 AA Hoogeveen	088 050 40 30

STAGE 5 — ARNHEM

Type	Facility	Address	Phone
Hospital (level 2)	Rijnstate	Wagnerlaan 55, 6815 AD Arnhem	088 005 88 88
Trauma centre (level 1)	Radboudumc	Geert Grooteplein Zuid 10 (ambulance entrance Geert Grooteplein 22), 6525 GA Nijmegen	024 361 11 11
Trauma centre (level 1)	Isala Zwolle	Dokter van Heesweg 2, 8025 AB Zwolle	088 624 50 00
GP out-of-hours post	Huisartsenpost Arnhem Noord	Wagnerlaan 55, 6815 AG Arnhem	026 389 96 96

Note. The Sittard care plan lists the reference hospital as "Zuyderland" but gives the Dr. H. van der Hoffplein 1 (Sittard-Geleen) address, whose 24/7 emergency department closed in October 2024; the 24/7 SEH is at Zuyderland Heerlen. The Hoogeveen care plan lists Bethesda Hoogeveen, whose 24/7 emergency department is also discontinued. Confirm the definitive hospitals, emergency-department status and calamity/evacuation routes with the regional ambulance service (RAV) before the event.
