WELCOME

Welcome to the 2026 edition of the Lloyds Tour of Britain Women that will once again be a part of the UCI Women's World Tour, the only event of its kind in the UK and the largest free-to-spectate event in the country.

We are looking forward to new hosts of the women's race and our first visits to Cockermouth, Clitheroe, Mold, Llanidloes, and Hay-on-Wye, as we bring the race to new communities across the England and Wales.

We extend our thanks to the many stakeholders across the five stages, whose support has made this year's Lloyds Tour of Britain Women possible, and to the many officers working hard behind the scenes in each of the regions, through to our commercial partners, headlined by Lloyds, now in their third year as our title sponsors.

We are excited to be welcoming an incredible line-up of teams to the race this August, headlined by our 13 UCI Women's World Tour teams – all of whom I know will be keen to make an impression racing on British roads in front of fans.

To all the competing teams, staff, and riders coming to Britain for the Lloyds Tour of Britain Women, we offer a warm welcome and wish you every success, in what will be a hotly contested race to be crowned champion in Royal Leamington Spa.

Finally, whatever your role on the Lloyds Tour of Britain Women, this manual is an essential resource to aid in your planning and preparation for the event, so we encourage you to review it thoroughly. We have a dedicated team on hand during the event to help with any questions or information that you may need, so please don't hesitate to contact them if there is anything you need.

On behalf of the whole British Cycling Ventures team behind the race, I would like to wish you all a safe, successful, and enjoyable Lloyds Tour of Britain Women.

The stage winner and classification leaders must attend a press conference following the presentation ceremony if requested to do so.

ARTICLE 11. CLASSIFICATION OF RACE JERSEYS

The order of priority of the race classification jerseys are as follows:

1. The General Classification Leader
2. The Points Classification
3. The Queen of the Mountains Classification
4. The Young Rider Classification

Classification jerseys presented must be worn for the following stage. If a rider is leading more than one classification, another rider next on the relevant classification is required to wear a jersey which is not being worn by the leader of that classification.

ARTICLE 12. SIGN ON

Sign on will close 10-minutes before the start of each stage. The organisers will provide a schedule of sign on times for each team for every stage. As per UCI Article 2.3.009.

ARTICLE 13. PENALTIES

The UCI scale of penalties will apply.

ARTICLE 14. TEAM CARS

Only one vehicle per team will be permitted to circulate at race level. All mechanical service must take place on the left side of the road.

ARTICLE 15. FEED AND LITTER ZONES

Feeding must take place on the **right-hand** side of the road.

Litter zones will be clearly identified by litter zone signage. Riders are only permitted to dispose of their waste in the designated litter zones.

The Lloyds Tour of Britain Women is fortunate to race through some of Britain's most historic and natural habitats, and it is everyone's responsibility to respect the environment, behave responsibly, and to protect the British countryside and landscapes.

ARTICLE 16. ANTI-DOPING

The UCI anti-doping regulations are entirely applicable to the event. Moreover, and in conformity with the law of Great Britain, the British anti-doping legislation is applicable in addition to the UCI anti-doping regulations.

The anti-doping tests will take place at the anti-doping unit that will be located adjacent to the finish of each stage.

The organiser reserves the right to refuse riders or teams that might be connected with doping abuse and whose participation therefore would be incompatible with the reputation of the race..

ARTICLE 17. DISCIPLINE

- The race organisation reserves the right to dismiss persons from the race for the following reasons:
- Improper behaviour including urinating in public or inappropriate places
- Acts of violence
- Serious breaches of the regulations
- Fraud at customs or other criminal behaviour
- Any Serious misconduct that blemishes the image of cycling or of the race. UCI Reg 2.2.010bis

ARTICLE 18. RACE REGULATIONS

TECHNICAL

Riders, team managers and all other participants must be familiar with and abide by these regulations and those of the UCI and British Cycling.

By taking part in the event all personnel are considered to accept the regulations in full and to bear sole responsibility for any injury, accident or loss that may occur.

HOTEL GUIDANCE

On arrival at each hotel, there will be a travel desk within reception, please check in with CSE and not the hotel reception, unless asked to do so.

Workforce should check into their accommodation using their staff code (found on accreditation) as opposed to their name.

Accommodation is provided on a bed, breakfast, and evening meal basis for the duration of the event; any alterations to this are noted in this section.

Guests must pay for any and all extras upon departure.

Even if you believe that you have not incurred any charges, please do check out of each hotel on departure.

Some hotels may require you to register your vehicle registrations at reception or with a representative of CSE. Please ensure that you do this to avoid any parking fines.
