WELCOME

Welcome to the 2026 edition of the Lloyds Tour of Britain Men that will once again be a part of the UCI Pro Series, the only event of its kind in the UK this year and the largest free-to-spectate event in the country.

We are looking forward to new stages to the men's race, and our first visits to Lincoln, Boston, Skegness, Leyburn, and Earlston, as we bring the race to new communities across England and Scotland.

Our thanks go to the many stakeholders across the five stages, whose support has made this year's Lloyds Tour of Britain Men possible, and to the many officers working hard behind the scenes in each of the regions, through to our commercial partners, headlined by Lloyds, now in their third year as our title sponsors.

We are excited to be welcoming a strong line-up of teams to the race this September, all of whom I know will be keen to make an impression racing on British roads in front of fans.

To all the competing teams, staff, and riders coming to Britain for the Lloyds Tour of Britain Men, we offer a warm welcome and wish you every success.

Finally, whatever your role, this manual is an essential resource to aid in your planning and preparation for the event, so we encourage you to review it thoroughly. We have a dedicated team on hand during the event to help with any questions or information that you may need, so please don't hesitate to contact them if there is anything you need.

On behalf of the whole British Cycling Ventures team behind the race, I would like to wish you all a safe, successful, and enjoyable Lloyds Tour of Britain Men.
